# Party raises £12,000!

Money raised goes to the Blind School for Children and UK Variety Club

**EXCLUSIVE**

**A** Bradford family raised £12,000 for disadvantaged children in the UK and in India with a party at Valley Parade. The Mistry family, 34 of them in total, hosted a champagne dinner-dance and casino night at Bradford City's ground in May. The night featured an appearance from entertainer Shayan Italia, billed as the next Elton John. Half of the cash will help

build dormitories at a school for blind children in India, where pupils currently have to sleep on the floor. The fundraising is organised via the Govindbhai Foundation, which the family set up in honour of their late father and grandfather. The rest of the £12,000 will go to the UK Variety Club Children's Charity. One of the organisers, Jessica Mistry, said more donations were still coming in and the family were thrilled.
