

Making a difference to children's lives.

“ I think what the Govindbhai Foundation is doing is brilliant and I feel very proud to have been asked to be a part of it. ”

Nina Wadia.

The Govindbhai Foundation's first event last year raised over £12,000, smashing our target of £7,000. As a result the Royal Infirmary received three new baby warming cribs and a bladder scanner, while The Mamta Welfare Trust UK received £3250 for a school project for blind children in Gujarat, India. On the night we provided a feast of Indian food accompanied by music, dance, and a chance for guests to bid for some amazing items in a charity auction. We had items donated by Monty Panesar, Nina Wadia, Amir Khan amongst others. Please visit our web site www.gbfoundation.co.uk for all the photo's, and other details from that fantastic night. Below are some of the quotes taken on the night:

“Brilliant - good food, good music, good entertainment and the best fundraising event I've been too.”

“Efficient and well organised, good, friendly atmosphere. Couldn't have been more welcoming.”

“Fantastic evening, very well planned and organised... great fun.”

THIS YEAR OUR TARGET IS £25,000- WE NEED YOUR SUPPORT TO ACHIEVE IT!

We really want to make a difference to the lives of children in both the UK and India. So this year, we want to raise enough money to buy a Sunshine coach for transporting disabled kids and continue our work with The Mamta Welfare Trust UK for a school project for Blind Children in Gujarat, India. The event will be a fantastic dinner-dance, including a champagne reception and a stunning 3 – course Indian meal. We have already secured a exclusive live performance by Shayan Italia, described by David Frost as “the next Elton John”. Other entertainment includes a fun casino, charity auction and some special surprises! **Come and make our second event as successful as our first and make a real difference to the futures of disadvantaged children.**
